POOL REPORT FROM REPLAY OFFICIAL DAVE HAWK:
(on Ferrell Edmunds catch)

"The pass was ruled complete on the field and down on contact. I confirmed it was complete on the field, however, the ball comes out prior to him landing on the ground. When it's ruled down by contact, I have to get out of it. Anytime down by contact is ruled, I can't come into it."

(on Ernest Givins catch)

"Everything seemed fine with no problem on the line feed. The point was kicked and it became a moot point. There is nothing I can do about it."

PRO BOWL '91
AFC LOCKER ROOM

WARREN MOON: "Because of the short period of time we had to work with, we kept it simple. Because we kept it simple we executed a lot better. I'm sure they (NFC) wanted to sweep this thing - ~~wixxxx~~ win the Super Bowl and the Pro Bowl. But we do have a little pride over here. We wanted to win one of these games.

In the beginning of the second-half both ~~xxxxx~~ teams revved it up. Both ~~xx~~ teams tried to get away from the rules and started to do their own thing. And that made it a very competitive football game. I used this game to get back into the flow. I'm not 100-percent. But at least I got out there, played ~~xxxxxx~~ with the rush coming, and took some shots. That is what I tried to accomplish in this game. I did not get hurt and we won. Can't ask for more."

~~JIM KELLY~~

JIM KELLY: "I knew we had to g score two touchdowns and get some big plays from our defense to get back into the game. The defense ~~w~~ came up with some big plays when they needed to. The offensive line was quite ~~impressive~~ impressive considering they just work together for a ~~week~~ week. The offensive line read a lot of things the defense tried to do to ~~disrupt~~ disrupt our offense ~~evxxx~~. They were able to give me enough time to throw the ball.

You only work with each player a number ~~of~~ of times, so you make a lot of guesses out there as far ~~as~~ as where the receivers will be. Today it worked out for us. Fortunetly we did not get another one-point loss, luck was on our side this time. I just ~~it~~ it was on our side last week.

ON THE MVP ~~AWARD~~ AWARD: "I would like to have ~~x~~ won the MVP last week, but it's a honor. I went out there not only for myself but for the other players on the team. It's an extra five-thousand dollars for each and I'm glad to ~~part~~ part of an AFC victory.

"We were going to stride to run the football. But god you did not see much running today, did you? I guess with Warren Moon and the ~~x~~ run-and-shoot and me with the no-huddle-offense - Why run the football."

AFC POOL QUOTES

Jim Kelly

(on winning touchdown pass)

"They had good coverage on the play, but we executed. The winning play was a switch play. We took Andre Reed and Anthony Miller out of the game and put in Ernest Givins and Drew Hill. Warren (Moon) recommended the play with the receivers. I had run this type of play in the USFL with the Houston Gamblers and I was familiar with it. This was a play from the Houston Oilers playbook. It was a good play and counted for six points."

(on comeback)

"You have to credit the defense for shutting down the NFC when we needed more than one score to win. They stopped the NFC and our line protected well enough for us to win. It was a true example of teamwork and it feels good."

(on MVP award)

"I would have loved to be the MVP a week earlier (in the Super Bowl), but this feels good. I was hoping not to have another one-point loss and I was relieved when we blocked the last field goal. It was great for all the players on the team."

(on game plan)

"We entered the game wanting to stress the run, but we didn't follow that plan. We knew the quarterbacks would be alternating every other series, but with Warren and me, a Run-and-Shoot quarterback and a No-Huddle quarterback, you didn't see much running. We used a lot of movement in our attack."

Jeff Cross

(on blocked field goal)

"We knew the farther out he had to try it, the lower he had to kick it. I was near the outside and was able to penetrate. It was a good feeling to contribute on special teams and making an impact. Coach Shell and the staff told us the special teams could make the difference in winning and losing. They were right and our work paid off."

"This was the second block of my career, but I will remember this for a long time."

Nick Lowery

(on field goals)

"It was good to return to this game after playing back in 1982, and I was pleased to have a role in our winning."

(on having an experienced holder in Rohn Stark)

"You have to recognize how important it was to have a "true" holder in Rohn Stark. He has been holding for many years, and in an "all-star" type of game, sometimes you don't have this luxury. You feel for Morten Andersen, but he was working with Jim Everett who did not have a great deal of holding experience. It was even harder for both of them since Morten is left-footed. Having Rohn (Stark) was one intangible which may have decided this game."

AFC QUOTES

Bruce Smith

(on the victory)

"This was a great victory. We showed everyone how the AFC can play. A lot of people took us lightly, but once we were out there, we were ready to compete."

(on the comeback)

"We knew it would be tough and that we would have to stop the NFC and score more than once to win. We took pride in the fact that we helped set the table. Thank goodness for Jim Kelly and our offense. He is a leader for the Bills and now a leader for our conference."

(how he feels about win)

"We come here to compete and to represent others who had great seasons but didn't get voted in. The Raiders staff spoke about pride and how to play. We wanted to win this one for all the other good players in the AFC."

Art Shell

(on his team)

"This just goes to show what kind of talent we have on this AFC squad and in our conference. There were big plays on both sides of the ball and that's why these guys are here. They are the best players in the game. I hope we gave the league and its fans a game they can be proud of. Having these talented players makes coaching a lot easier."

(on playing and coaching in Pro Bowl)

"I played in eight Pro Bowls, and being in the lockerroom makes me feel like a player again. I am glad, though, that I won't have the aches and pains. It is a great feeling to be a coach and player in this game. I am fortunate to have experienced both. This is something every player dreams of, and this assignment to coach feels like a greater charge to perform well. I am pleased to have been able to help us get a win."

PRO BOWL '91
NFC LOCKER ROOM

MORTEN ANDERSEN - "It was a pleasure to be here this year. (ON the last field goal attempt) I just didn't execute the kick. And they got some good penetration but it was just a long field goal try. IT was not a good kick. YOU always try to prepare for this type of situation and I didn't get it done Today. ~~xx~~. But it will motivate me to play better in 1991."

JHNNY JOHNSON - "It was great participating in ^h this game. IT's always an honor to play in a game such as this, when I grew up watching these particular players play. It was also a great feeling to contribute by scoring two touchdowns in trying to help the NFC ~~to~~ win the game."

Jim everett - "We had a chance to pull the game out at the end but we came up short. I felt loose when I GOT into the game because I followed Randall Cunningham and I was able to see the game and ~~to~~ get a feel of the ~~xxxx~~ game. (on his 138 yards passing) "I had some good guys to throw the ball to. I enjoyed the competition in the game and enjoyed the entire week." (On Andersen's block kick) - "I thought Andersen kicked it well. But the AFC DID a good job in penetrating the interior line and blocking the attempt."

RANdall cunningham - "This was the first ^{time} ~~xxx~~ we lost in three years. Our defense did a good job in coming up with the big plays. It was great to see a game like this come down to the wire, like the Super Bowl ^{last} ~~xx~~ week. IT's always good to come out here and compete against the best."

DARRELL GREEN - "I Enjoyed ¹ here (Hawaii). It was a lot of fun. It's a goal in my life to play in the Pro ~~xxxx~~ Bowl, ¹ just like it ~~is~~ is to play in the Super Bowl. Today's game was somewhat frustrating due to certain boundaries that each team must play under. Overall it's a great experience."

JOEY BROWNER - "This game was particularly exciting because it came down to the last play of the game. I always enjoy being selected to play in this game and also enjoy coming to Hawaii. My pinched nerve in the ~~is~~ first half ~~xxx~~ didn't affect my play.:"

MIKE SINGLETARY - "This was my eighth Pro Bowl appearance. And each one has been a great experience. ~~xxxxxx~~ I'm blessed by the opportunity to play and it's a great honor to be selected by your peers and play in a game such as this."
